LR 190  
LB 202

SENATOR MURPHY: Well, I wonder what will become of the other two candidates for Lieutenant Governor. I know where this one is going. Ich weise nicht was ist bedeuten, Herr Koch, aber ich wischen to sagte. Danke schon. Or to put it another way, I just would like you all to know that me wife and I have been to Ireland so it won't be all that new, although the last time it wasn't quite the same as this, the expenses were not paid and all the way over she kept yelling, "I don't want to go to Ireland. I don't want to go." I finally turned to her and said, "Shut up and keep swimming." I appreciate the gesture, Jerry.

PRESIDENT: Senator Savage.

SENATOR SAVAGE: I just want to know if that row boat that they mentioned is the one that belonged to Howard Lamb's hired man that he gave me so much trouble with on LB 21.

PRESIDENT: The amendment is adopted. The resolution is adopted. We have entering the South balcony 35 4th grade students, their teachers and parents from West Point Public School in West Point, Nebraska. That is in Senator Hasebrook's District. Thank you all for being here today. We go to Item #10 on the agenda, motions, LB 202.

CLERK: Mr. President, Senator Simon moves to return LB 202 to Select File for specific amendment. Read amendment. (See page 1332, Legislative Journal.)

SENATOR SIMON: Mr. President, members of the Legislature, I move for adoption of the amendment. When we reached the compromise on LB 202 and put in a definition or put in the aspect that it just would cover a fee, we did not put in what the definition was. I talked to both sides of the issue. They agree the definition is in order and they have also agreed that this definition would be acceptable. So I would move for adoption of the amendment.

PRESIDENT: Record your vote. Record.

CLERK: 30 ayes, 0 nays on the motion to return, Mr. President.

PRESIDENT: Senator Simon.

SENATOR SIMON: I would move then that LB 202 as amended be advanced to E & R engrossing.

PRESIDENT: You have to adopt the amendment. We have returned it.

SENATOR SIMON: Oh, excuse me, okay. I move for adoption of the amendment.

PRESIDENT: All right, record your vote. Record.
